1. Rent

The Lessee shall pay to the Lessor or Lessor's authorized agent, at the address set forth above, or through Avail, or as changed by written notice to the Lessee, as rent for the Premises, parking, or otherwise the sum as stated above. Rent is due and payable on the first day of each calendar month, in advance. The timely payment of each installment of rent is deemed to be of the essence of this Lease. The failure to pay rent when due may result in the Lessor bringing an action in court to recover unpaid rent and/or possession.

2. Jointly and Severally Liable

Each Lessee is jointly and severally liable for the payment of rent and performance of all other terms of this agreement.

3. Security Deposit

The Lessee has deposited with the Lessor, the sum set forth above as a security deposit to secure the faithful performance by the Lessee of all provisions contained in this lease. Within 14 days after the tenant moves into the Premises, the Lessor will notify the Lessee of the name and address of the financial institution holding the security deposit. If the Lessee performs all the obligations as provided in this lease and pays all sums due the Lessor, then the Lessor, after the Lessee has surrendered possession of the Premises and delivered the keys to the Lessor, shall refund said deposit to the Lessee within 30 days of the Lessee vacating the Premises. If the Lessee has failed to perform or comply with any of the provisions of the lease, then Lessor may apply part or all the security deposit in payment of any sums due from Lessee to Lessor, or to pay for the repair of any damage caused by Lessee, Lessee's co-occupants or guests. If the Lessee has provided the Lessor with a forwarding address, the Lessor will send the Lessee an itemized list of damages and the remaining balance of the deposit, if any, to the forwarding address. If the Lessee does not provide the Lessor with a forwarding address within four days of vacating the premises, the Lessor will not have to send the Lessee a list of damages. The security deposit shall not be treated as an advance payment of rent, and the Lessee shall not apply the security deposit as rent during the term of the lease unless the Lessee obtains written permission from the Lessor to do so.

4. Possession

Lessee shall be permitted to take possession of the Premises at the commencement of the lease. If Lessor cannot deliver possession of the Premises at the commencement of the lease term, the rent shall be abated until the Premises are available for occupancy by Lessee, or at Lessee's option, the Lessee may terminate this lease upon written notice to Lessor. Lessor shall not be liable to Lessee for any consequential damages to Lessee arising as a result of Lessor's inability to give Lessee possession of the Premises at the commencement of the lease term.

5. Condition of Premises

Lessee has examined the Premises prior to accepting the same and prior to the execution of this lease, and is satisfied with the physical condition thereof, including but not limited to the heating, plumbing and smoke detectors. Lessee's acceptance of possession shall constitute conclusive evidence of Lessee's receipt of the Premises in good order and repair as of the commencement of the lease term. Lessor or his agent has made no promises as to condition or repair to Lessee, unless they are expressed in this lease or a rider attached hereto signed by Lessee and Lessor or his agent, and no promises to decorate, alter or repair the Premises have been made by Lessor or his agent, unless expressed herein.

6. Lessee to Maintain

Lessee shall keep the Premises and the fixtures and appliances therein in a clean and healthy condition, and in good working order, and in accordance with any and all ordinances applicable to the tenancy, at Lessee's own expense, and upon the termination of this lease, for any reason, Lessee shall return the Premises to Lessor in as good a condition of cleanliness and repair as at the commencement of this lease, reasonable wear and tear excepted. Lessee shall make all necessary repairs to the Premises whenever damage has occurred or repairs are required due to Lessee's conduct or neglect. Lessee shall replace all broken glass and fixtures and shall maintain all smoke and carbon monoxide detectors in good condition at all times, including replacing spent batteries as necessary. Upon Lessee vacating the Premises, if the Premises are not clean and in good repair, Lessor or his agent may replace the Premises in the same condition of repair and cleanliness as existed at the commencement of the lease term. Lessee agrees to pay Lessor for all expenses incurred by Lessor in replacing the Premises in that condition. Lessee shall not cause or permit any waste, misuse or neglect to occur to the water, gas, utilities or any other portion of the Premises.

7. Use of Premises

The Premises shall be occupied for residential purposes only, and only by the persons disclosed in this lease and on the Application for Lease submitted by Lessee in connection with the renting of the Premises. Lessee shall not engage in any activity, which will increase the rate of insurance on the property. Lessee shall not allow trash to accumulate in the common areas of the Premises or allow objects to be thrown from windows. Lessee shall not hang objects out of windows or place objects on windowsills or ledges, which may fall and injure persons below. Lessee shall not keep any pet(s) in the Premises without written permission first being obtained from Lessor. If the Lessee has a documented disability recognized under federal, state, or local law that requires a service animal, Lessee shall inform Lessor in writing and request an accommodation. Lessee shall not use porches for cooking, sleeping or storage of furniture, bicycles or other items of personal property. In no case shall Lessee allow porches or decks to be overloaded or occupied by more people than would be reasonably safe based on the condition of such porch or deck.

8. Appliances

Lessee shall not install any air conditioning, heating or cooling equipment or dishwashers or clothes washers or dryers or other appliances in any portion of the building or Premises occupied by Lessee without first obtaining Lessor's written permission to do so. All such appliances installed by Lessee shall be maintained in good working order by Lessee and removed by Lessee at the expiration of the term of the lease. Any damage caused by appliances installed by Lessee shall be the responsibility of Lessee and Lessee shall reimburse Lessor for the cost of repair of any damage caused by such appliances.

9. Disturbance

Lessee agrees not to play televisions, radios or musical instruments or musical playback equipment in a manner which disturbs other tenants, and shall maintain the volume of such equipment at reasonable levels. In addition, Lessee agrees to limit playing of such equipment between the hours of 10:00 p.m. and 7:00 a.m. to a volume that cannot be heard by persons outside of the Premises.

10. Access to Premises

Lessee shall permit the Lessor access to the Premises at all reasonable times, subject to the notice requirements of applicable law or ordinance, to inspect the Premises and/or to make any necessary repairs, maintenance or improvements or supply necessary or agreed upon services, or to determine Lessor's compliance with the provisions of this Lease. In the event of an emergency or where repairs in the building require access to Lessee's Premises, Lessor may enter without prior notice to Lessee, without the same being considered a forcible entry by Lessor. Lessee's failure to provide such access shall be a breach of this lease, and Lessor shall be entitled to terminate this lease in the event such access is denied by Lessee. There will be quarterly walk throughs of the property to check for any damage or maintenance needing to be addressed.

11. Sublet or Assignment

Lessee shall not sublet the Premises or any part thereof, nor assign this lease, without obtaining Lessor's prior written permission to sublet or assign. Lessor shall not unreasonably withhold permission and will accept a reasonable sublease as provided by ordinance.

12. Holding Over

If the Lessee remains in possession of the Premises or any part thereof after the termination of the lease by lapse of time or otherwise, then the Lessor may, at Lessor's option, consider such holding over as constituting a month-to-month tenancy, upon the terms of this lease except at double the monthly rental specified above. Lessee shall also pay to Lessor all damages sustained by Lessor resulting from Lessee's retaining possession of the Premises. In the event Lessor accepts a payment of rent for a period after the expiration of this lease in the absence of any specific written agreement, continued occupancy shall be deemed a month-to-month tenancy, on the same terms and conditions as herein provided, except for the double rent provision, to the extent permitted by state or local law or ordinance.

13. Liability for Rent

The Lessee shall continue paying rent and all other charges for the Premises to the end of the term of this lease, whether the Premises becomes vacant because of abandonment, Lessee's breach of the lease, Lessee's wrongful termination of the tenancy or eviction. Lessee shall only be responsible for rent and charges to the extent said obligation for rent has not been mitigated, abated or discharged, in whole or in part, by any law or ordinance. Notwithstanding any provision in this section, the Lessor shall make a good faith effort to re-let the Premises (but not in priority to other vacancies), and if the Premises is re-let, Lessee shall be responsible for the balance of the rent, costs, and advertising costs incurred by the Lessor.

14. Binding Effect

If Lessee shall violate any covenant or provision of this lease, Lessor shall have the right to terminate this lease or Lessee's right to possession pursuant to the lease upon appropriate legal notice to Lessee. If Lessee assigns this lease, whether with or without Lessor's permission as required herein, the covenants and conditions contained in the Lease shall nonetheless be binding on the assignee as if assignee had signed the lease. Nothing contained in this paragraph shall preclude Lessor from commencing legal proceedings against any assignee of this lease who obtained possession from the party named as Lessee in this Lease without Lessor's written permission.

15. Continuous Occupancy

Lessee shall maintain continuous occupancy of the Premises, and not allow the same to remain vacant for any period in excess of twenty-one days without notifying the Lessor of such vacancy seven days in advance. The Lessee shall immediately remove the same upon notice by the Lessor to the Lessee to do so, and the Lessor shall have the right to immediately remove any such installation at the Lessee's expense if the Lessee fails to do so upon notice. The Lessee grants the Lessor access to the Premises at all reasonable times to remove such gates or bars. The cost of repairing any damage to the Premises caused by the installation or removal of such gates or bars shall be paid by the Lessee upon demand by the Lessor, in addition to all costs of enforcement of this paragraph 22, incurred by Lessor. In addition to the preceding, the installation of such gates or bars shall constitute a breach of this lease, entitling the Lessor, to terminate the Lessee's right to possession of the Premises pursuant to this lease and commence proceedings to dispossess the Lessee from the Premises.

19. Mechanic's Liens

The Lessee shall not place or allow to be placed on the Premises, the building or elsewhere on the real property, any mechanic's lien or any other claim for lien for any repairs, maintenance, alterations or modifications performed by, or ordered or contradicted by, the Lessee, regardless if the same was rightfully performed or ordered by the Lessee. Also, the Lessor shall have the right to satisfy and remove said lien without regard to the merits thereof, and the Lessee shall be responsible for the damages incurred in removing the lien, along with other damages or costs incurred by the Lessor.

The Rules and Regulations are hereby incorporated into and made a part of this lease. Failure to observe the Rules and Regulations shall be deemed to be a material breach of this lease, and in event of such breach, Lessor shall be entitled to terminate Lessee's right to possession under the Lease upon ten days' notice, and shall further be entitled to such rights and remedies as provided by applicable state or local law or ordinance.

21. Subordination of Lease

This lease is subordinate to all mortgages which may now or hereafter affect the real property of which the Premises forms a part. The recordation of this lease, or any memorandum thereof by Lessee shall constitute a material breach of this lease.
